The following is an examiner's statement of reasons for allowance: In view of Applicant's arguments in the Brief filed 6-3-04, the prior art of record does not suggest or teach an ultrasonic welder, particularly the controller moving from an unloading position to a predetermined loading position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
